22nd September 2023

Dear Year 6 Parents/Carers

PGL Osmington Bay 2024

Dear Parents and Carers

As per previous communication the residential price per child was subject to change based on confirmed numbers. I am therefore writing to advise you that due to an increase in coach costs and the lack of up take, the final cost per child will now be £585.00.

We will be organising fundraising events throughout the year to help families support the cost. This will be processed as a refund at the time of the trip.

Thank you for paying your first initial deposit of £60.00, the remaining balance of £525.00 can be made in instalments as follows:

- £127 Due by 10th October 2023
- £125 Due by 10th December 2023
- £125 Due by 10th February 2024
- £148 Due by 25th March 2024 (Final Balance)

The above is a suggested instalment amount, Parents can pay as much as they like as long as you meet the expected minimum payments by the due dates shown above.

Yours sincerely

**Ms F Alder
