On the E-Schools app you will find a 'Parents'Evening' Tab to book an appointment for your child/children.

**The booking system will be open to Parent's on Friday 3rd February at 9am.
You will not be able to book before this date.**

Miss Clarke, our Inclusion Lead, will also be offering appointments on both days. These appointments are for parents who have any SEN concerns and/or families who have concerns / questions relating to their child's SEN / EAL. These appointments can also be booked via the website app.

During these meetings we will discuss how your child is currently working against his/her year group curriculum and set new targets for the term.
