

# Year 2 - Home Learning

## Around the World

Every day - Reading

Every week – Practise your number facts and times tables, TTRS, Mathletics, Spellings

Choose some activities to complete at home to help with your learning about our topic this half term. Please remember to share what you have done with your class teacher. This can be via a photograph, piece of paper or the creation itself!

		
Read some stories from other cultures and write a book review about your favourite one.	Choose an animal and find out why it is suited to the habitat it lives in.	Write a story set in another country. Remember to include a beginning, a middle and an end.
Find out the key features of different countries. Are they in hot or cold areas of the world?	Can you cook a traditional meal from another country?	Using a world map, identify where endangered animals live. Can you label where these animals live?
	Create a piece of abstract art.
